

LA FLORENS 2019

Red Grenache

In 2014 was born our **flagship** wine, **La Florens**.

A **single vineyard** wine produced 100% of **Garnacha Tinta** that comes from one of the most precious vineyard because of the age of its vines, for the quality it offers us and for its story.

Since then, the quality of the grape and the final result of the wine remains on its **elegance** and **freshness**. The **limited production** is distributed in different countries and we are pleased that it has been valued nationally and internationally since its first year of production:

- ✓ La Florens 2019 – 94 score – James Suckling (USA)
- ✓ La Florens 2018 – 92 score – James Suckling (USA)
- ✓ La Florens 2017 – 93 score – Guia Peñín (Spain)
- ✓ La Florens 2014 – Gold Medal – Berliner Wine Trophy (Germany)

In addition, it was the vineyard chosen to give tribute to Florentina, Josep's mother. A **real** and a **human story** that conveys the character of a great woman through a great wine.

The **vineyard**, located in Marçà, is about **105 years** old and is planted on Gobelet system. This helps to protect itself from the intense hours of solar radiation. Planted on a **clayey-calcareous soil**, it retains moisture and does not suffer so much if the rainfall is scarce. Like most Priorat soils, it is very **poor in organic matter** and is located on 340 meters above sea level.

The **yield** is really **low**, but in return, it offers us an extraordinary and healthy grape.

All works in the vineyard are **manual** and we do not use any chemical-synthetic products. Following the principles of **organic** and **biodynamic viticulture**, we guarantee **biodiversity**, the **sustainability** of the vineyard and the **essence of its origin**.

In the winery, we accompany the grapes in their transformation, but almost **without intervention**. In this way we maintain the essence of the grape variety and the plot features until the final result.

Elegant, friendly and lovely character.

Red and forest fruits. Cherry, blackberry and hints of pomegranate.

Spicy, balsamic and with Mediterranean touches. Cloves, eucalyptus and hints of mint.

Very fresh, with vibrant acidity, ripe tannins and great elegance.
